

The Dominican Calling

Creation Evidence Expo 2016 News Letter

I bring you greetings in the name of our Lord and Savior Jesus the Christ as we kick off the new year of 2016. 2015 was a banner year for CEE because we accomplished a lot in our movement to show the world that Gen. 1:1 is true. In the beginning God created the heaven and the earth!

Our 2015 Expo was a tremendous success at Crossroads Bible College where all of our presenters out did themselves!

Dr. Ware and all of the staff at Crossroads were very kind and receptive to our usage of their facility, and we hope that we have solidified a long term relationship that will last for a long time in the distant future.

Many of you remember that we embarked on a project in 2014 when we went to the Dominican Republic to present our mission; the Bible does not conflict with science fact, and that Gen. 1:1 is true. ***In the beginning God created the heaven and the earth!***

I wish to report to you that our mission was an overwhelming success, way beyond our wildest dreams. Not only did the people of the Dominican Republic receive our message but they explained to us that they were yearning for more information about our mission goals and they needed to receive more literature in the Spanish language to spread to the people of the Dominican Republic!

To our surprise we found out that they are a dedicated Christian country and they are proud of it!

The Dominican Republic is the only country that I could find that has a Bible and the Cross of Jesus Christ on its official Flag! They openly say that they need literature to combat the lie of evolution as they see too much of it in their educational system; they are tired of seeing that entire evolutionary lie in their schools and colleges. They want literature that tells the truth of creation and science to present to their schools and colleges in order to combat the evolutionary lie.

Unlike what we have here in the United States where the Government is openly hostile to Christianity and reads into our Constitution something that is not there, and was never intended to be there when it states that there should be a separation between Church and state!

The Dominican Republic openly embraces its Judeo-Christian Heritage! We spoke to 723 in churches, to 1209 elementary and high school students, and 176 university students for a grand total of 2108 students in our outreach effort.

Because of their desire to have text books that teach from a Creationist perspective Dr. Jay Wile and Mr. Bruce Malone have both agreed to begin having their text books translated into Spanish so that their teaching materials can be translated into the Spanish language and can be used in the Educational facilities in the Dominican Republic. As you can imagine this is a tremendous financial undertaking but it is well in line with the mission statement of CEE to combat the lie of evolution, and to teach the truth about Creation Science and how it agrees with the Bible.

Dr. Willie Dye and Dr. Jay Wile visited several cities in the Dominican Republic, showing the evidence that God created us. The people received the evidence in such a warm fashion that it made us a little Jealous because of the skepticism that we receive here in the United States on that subject. We are planning to go back this year again to give even more information and hopefully start some type of continuing educational courses within the schools there.

You can help us with our mission in many ways but here are our immediate needs:

(1) Help A Christian Country to Stay a Christian Country.

(2) They need Creation Curriculum Educational materials translated into Spanish.

(3) They Need Resources to Translate English into Spanish, primarily financial resources or donations. Any amount will help!

(4) They Need Resources and funding for the CEE Teams to travel and Teach.

(5) We Need Volunteers to help in this Work.

If you feel that you would like to be a part of this ministry please contact us at creationevidenceexpo.org or call Pastor Fredrick Boyd at 317-345-9072

Our work is taking us all over the country and some of our latest events were in the south side of Chicago in the inner-city region of Englewood, and a five day youth retreat in Pekin, Illinois where the principal of a Christian school made our courses mandatory for all of their high school students. This is an indication that we are reaching out to the world to let all people know we have a God who created us in his own image and Gen. 1:1 is true!

1 John 3:18-24 states: 18 My little children, let us not love in word, neither in tongue; but in deed and in truth. 19 And hereby we know that we are of the truth, and shall assure our hearts before him. 20 For if our heart condemn us, God is greater than our heart, and knoweth all things. 21 Beloved, if our heart condemn us not, then have we confidence toward God. 22 And whatsoever we ask, we receive of him, because we keep his commandments, and do those things that are pleasing in his sight. 23 And this is his commandment, That we should believe on the name of his Son Jesus Christ, and love one another, as he gave us commandment. 24 And he that keepeth his commandments dwelleth in him, and he in him. And hereby we know that he abideth in us, by the Spirit which he hath given us. (KJV)

We have a deep abiding faith in our God through Jesus the Christ; and we believe that he made us, he shaped us and he designed a plan for each of us; therefore, for us, the truth is: In the beginning God created us in his own image and he has a plan for every one of us. This is our mission to tell the world.

IN THE BEGINNING GOD CREATED THE HEAVEN AND THE EARTH. We have to tell the world that there is a God. ***Heb 11:6 But without faith it is impossible to please him: for he that cometh to God must believe that he is, and that he is a rewarder of them that diligently seek him.*** (KJV) ***Heb 11:10 For he (we) looked for a city which hath foundations,*** (in Jesus Christ) ***whose builder and maker is God.*** (KJV) Not man!

This is our mission and we will stand on this foundation (Jesus the Christ) for as long as God wants to keep us in the fight! We are trusting in the Lord with all our heart and we are not leaning on our own understanding; in every way we are acknowledging and trusting in him (Jesus The Christ) and allowing him to direct our path!

Stay tuned for an update on our progress in these endeavors, and keep us in your prayers for this coming year. We appreciate your support in every way and we are praying for you.

Respectfully Submitted:

Rev. Carl L. Kelley
